PY3: Class of 2017

Fall 2015 Registration

- Fall Registration begins Tuesday, April 7, 2015 at 6pm.
- Open registration **ends Friday, July 17, 2015**.
- Review Fall 2015 School of Pharmacy Electives.
- Enroll in all PY3 fall required courses (below) and a max of 2 School of Pharmacy electives. Please note that you will be dropped if enrolled in more than 2 School of Pharmacy electives.

Elective Courses

- Fall 2015 elective offerings are available for review via the main [Fall 2015 Registration Page](#).
- **Short Video and Syllabus:** For each elective the Office of Student Affairs has recorded a short video and provided the previous year's syllabus for your review. The purpose of this resource is to assist you in selecting electives of interest. The videos and syllabi can be accessed by visiting the [PharmD Student Sakai Site](#), *PharmD Resources* link on the left panel (syllabi are subject to change).
- Please take a moment to review the PharmD Elective Requirements to become more familiar with the requirements.
 - PharmD students must complete a minimum of 4 electives
 - At least 2 must be School of Pharmacy electives taught by Pharmacy faculty
 - Up to 1 health affairs elective
 - Up to 1 free elective (can be ANY 1-3 credit hour elective offered on your home campus)
 - Students may apply up to 6 credit hours of independent study credit to their elective requirements. Please contact the Registrar for more information on how to get approved to complete an independent study.

See required course information on the next page

PY3: Class of 2017

Required Courses

Please see required courses and class numbers below. Class numbers are used to search for a specific section of a class. For courses with multiple sections please view the [Weekly Schedule View](#) on page 1 for your reference.

Please be sure to **enroll in all required courses** and the **correct section** for your home campus. (Section numbers are in parentheses)
