Project Start Date and End Date *

Start Date

E.g., 17 Sep 2016

End Date

E.g., 17 Sep 2016

Funding Tier

Tier A (up to USD\$50K)

To support projects/studies for development of more advanced collaborative programs, projects, grants, or proposals beyond the initial planning stages.

Tier B (up to USD\$100k)

To support unique collaborative opportunities consistent with the mission of the PharmAlliance that require the generation of additional preliminary data or evidence of collaboration between the Alliance faculty or programs prior to the submission of an extramural grant or program proposal.

Justification of Budget requested from PharmAlliance

Please provide a rationale for the budget including the level and FTE effort of personnel, the need to purchase equipment that is not available within the Alliance, travel etc.

Content limited to 1800 characters, remaining: 1800

Milestones and Deliverables

Please list the key milestones and deliverables for this project.

Content limited to 1800 characters, remaining: 1800

Statements addressing the review criteria

How will funding accelerate the collaborative mission of PharmAlliance and uniquely add-value to the development and evolution of PharmAlliance?

How does the idea have the potential to radically NOT incrementally improve global health or healthcare, education or research?

How will these funds enhance competitiveness of faculty collaborations across the PharmAlliance and what future leveraging opportunities will this lead to, particularly in securing funding unique to international collaborations?

Content limited to 1800 characters, remaining: 1800

Statement of Risk and Impact

Provide a statement on the likely success of this project and the impact it will have as well as any associated risks including involvement of third parties outside the PharmAlliance, the need for IP, CDA or MTA agreements to be completed before the project can go forward.

Content limited to 1800 characters, remaining: 1800
