Center for Innovative Pharmacy Education and Research

This Month's Topics in Pharmacy Education Research

Month: July 2017

Topic: Residency

Number of Articles (%): 20 (14.7%)

TITLES

1. **More Transparency Is Needed to Curb Excessive Residency Applications**
 - a. Deng, F., Chen J. X., and Wesevich, A. (2017). More Transparency Is Needed to Curb Excessive Residency Applications. *Academic Medicine*, 92(7), 895-896. doi:10.1097/ACM.0000000000001741
2. **In Reply to Deng et al**
 - a. Gruppuso, P. A. and Adashi, E. Y. (2017). In Reply to Deng et al. *Academic Medicine*, 92(7), 896. doi: 10.1097/ACM.0000000000001763
3. **A Proposal to Address the Increasing Number of Residency Applications**
 - a. Hueston, W. J. (2017). A Proposal to Address the Increasing Number of Residency Applications. *Academic Medicine*, 92(7), 896-897. doi: 10.1097/ACM.0000000000001740
4. **Wellness Programs in Medical School: Reevaluating the Current Paradigm**
 - a. Gaw, C. E. (2017). Wellness Programs in Medical School: Reevaluating the Current Paradigm. *Academic Medicine*, 92(7), 899. doi: 10.1097/ACM.0000000000001749
5. **Resilience Through Grieving Rounds**
 - a. Banerjee, R. (2017). Resilience Through Grieving Rounds. *Academic Medicine*, 92(7), 900. doi: 10.1097/ACM.0000000000001750
6. **Wellness: A Surgical Resident's Perspective**
 - a. Mittwede, P. (2017). Wellness: A Surgical Resident's Perspective. *Academic Medicine*, 92(7), 900. doi: 10.1097/ACM.0000000000001751
7. **Nonmedical Use of Prescription Stimulants by Medical Students: A Call to Action**
 - a. Cohen, J. L., Ma, E., and Rogers, A. J. (2017). Nonmedical Use of Prescription Stimulants by Medical Students: A Call to Action. *Academic Medicine*, 92(7), 901. doi: 10.1097/ACM.0000000000001753
8. **The Shadow of Shame**
 - a. Krishnan, A. (2017). The Shadow of Shame. *Academic Medicine*, 92(7), 901-902. doi: 10.1097/ACM.0000000000001754
9. **Mindfulness in Residency: Making a Case for More Research**
 - a. Lavelle, C. (2017). Mindfulness in Residency: Making a Case for More Research. *Academic Medicine*, 92(7), 902. doi: 10.1097/ACM.0000000000001755
10. **Moral of the Story: Combating Burnout and Apathy**
 - a. Obara, S. A. (2017). Moral of the Story: Combating Burnout and Apathy. *Academic Medicine*, 92(7), 902-903. doi: 10.1097/ACM.0000000000001756
11. **Inspiration Repletion: A Missing Ingredient in Resident Wellness**
 - a. Lefkowitz, A. (2017). Inspiration Repletion: A Missing Ingredient in Resident Wellness. *Academic Medicine*, 92(7), 904. doi: 10.1097/ACM.0000000000001761
12. **Resident Burnout: Not Just for the "Long Hours" Specialties**

- a. Kasten, J. (2017). Resident Burnout: Not Just for the “Long Hours” Specialties. *Academic Medicine*, 92(7), 904-905. doi: 10.1097/ACM.0000000000001765
- 13. Residency Placement Fever: Is It Time for a Reevaluation?**
- a. Gruppuso, P. A. and Adashi, E. Y. (2017). Residency Placement Fever: Is It Time for a Reevaluation? *Academic Medicine*, 92(7), 923-926. doi: 10.1097/ACM.0000000000001468
- 14. Causes of Death of Residents in ACGME-Accredited Programs 2000 Through 2014: Implications for the Learning Environment**
- a. Yaghmour, N. A., Brigham, T. P., Richter, T., et al. (2017). Causes of Death of Residents in ACGME-Accredited Programs 2000 Through 2014: Implications for the Learning Environment. *Academic Medicine*, 92(7), 976-983. doi: 10.1097/ACM.0000000000001736
- 15. “It Feels Like a Lot of Extra Work”: Resident Attitudes About Quality Improvement and Implications for an Effective Learning Health Care System**
- a. Butler, J. M., Anderson, K. A., Supiano, M. A., and Weir, C. R. (2017). “It Feels Like a Lot of Extra Work”: Resident Attitudes About Quality Improvement and Implications for an Effective Learning Health Care System. *Academic Medicine*, 92(7), 984-990. doi: 10.1097/ACM.0000000000001474
- 16. Unmatched U.S. Allopathic Seniors in the 2015 Main Residency Match: A Study of Applicant Behavior, Interview Selection, and Match Outcome**
- a. Liang, M., Curtin, L. S., Signer, M. M., Savoia, M. C. (2017). Unmatched U.S. Allopathic Seniors in the 2015 Main Residency Match: A Study of Applicant Behavior, Interview Selection, and Match Outcome. *Academic Medicine*, 92(7), 991-997. doi: 10.1097/ACM.0000000000001501
- 17. Pediatric Resident Academic Projects While on Global Health Electives: Ten Years of Experience at the University of Minnesota**
- a. Pitt, M. B., Slusher, T. M., Howard, C. R., Cole, V. B., Gladding, P. (2017). Pediatric Resident Academic Projects While on Global Health Electives: Ten Years of Experience at the University of Minnesota. *Academic Medicine*, 92(7), 998-1005. doi: 10.1097/ACM.0000000000001727
- 18. Healthy Exercise Habits Are Associated With Lower Risk of Burnout and Higher Quality of Life Among U.S. Medical Students**
- a. Dyrbye, L. N., Satele, D., and Shanafelt, T. D. (2017). Healthy Exercise Habits Are Associated With Lower Risk of Burnout and Higher Quality of Life Among U.S. Medical Students. *Academic Medicine*, 92(7), 1006-1011. doi: 10.1097/ACM.0000000000001540
- 19. From Reflex to Reflection: A Resident’s Perspective on Learning in a Clinical Setting**
- a. Pateel, V. and Stewart, D. (2017). From Reflex to Reflection: A Resident’s Perspective on Learning in a Clinical Setting. *Academic Medicine*, 92(7), 1042. doi: 10.1097/ACM.0000000000001744
- 20. Dealing with the tension: how residents seek autonomy and participation in the workplace**
- a. Olmos-Vega, F. M., Dolmans, D. H. J. M., Vargas-Castro, N., and Stalmeijer, R. E. (2017). Dealing with the tension: how residents seek autonomy and participation in the workplace. *Medical Education*, 51(7), 699-707. doi: 10.1111/medu.13326
