

Welcome!

Hello everyone! Whether you are already a part of our SCCP Pharmily or you are thinking about joining us this year, I would like to send my warmest welcome to you from the SCCP Pharmily Executive Board! We are excited to announce that the organization is embarking on new changes this year!

One of the biggest changes will be with our name! As many of you know, we have been previously known as TCCP (Triangle College of Clinical Pharmacy); however, recently the decision was made to change the name to UNC ESOP SCCP (UNC ESOP Student College of Clinical Pharmacy). We feel like this renaming better fits the organization, because we are affiliated with both the National American College of Clinical Pharmacy (ACCP) and the Regional Triangle College of Clinical Pharmacy (TCCP). Student College of Clinical Pharmacy (SCCP) represents both affiliations. Below is an outline of the benefits of our membership and affiliations.

Sincerely,
Mariah Gibbs (SCCP-President)

Upcoming Events:

Senate Carnival:

Sunday, August 5th from 5pm-7pm

PBC Lunch Information Session:

Wednesday, August 22nd at 12 pm

General Body Meeting:

Monday, August 27th from 6pm-7pm

Dinner will be served at 5:15pm

Please sign-up ahead of time so we can have an accurate head count for the food! Sign-up will be sent out from Andrew Tiemann closer to GBM!

What can I expect with an SCCP?

Our Mission: We strive to help students develop their clinical skills, while promoting early interactions with clinical pharmacists and residents. We focus on helping students network and grow, both professionally and clinically.

What would be my responsibilities as a member?

We ask that our members be active and engaged in the events you attend! Our goal in every activity is to offer an opportunity for you to increase pharmacy knowledge, as well as to gain professional development. We love to see our members actively networking with each other and with our guest speakers at the events.

General Body Meetings (GBMs):

GBMs are scheduled on the last Monday of every month at 6 pm. GBMs generally last approximately an hour. For every GBM, we will provide a locally catered dinner, which is included in your dues, and is served generally between 5:15-5:30 pm. There will be a guest speaker for all GBMs, addressing the topic of the month.

What are the 2018 fall semester monthly topics?

August -	Welcome to SCCP
September -	Childhood Cancer Awareness
October -	American Pharmacist Month
November -	TBA

Are there other events in addition to the GBMs?

Yes! We are so excited to be offering some new events this year. All upcoming events will be highlighted at the first of each month in the newsletter, just like this one! Be sure to watch for the newsletter!

What is the SCCP-Pocket Guide?

The SCCP-clinical pocket guide is our club's only fundraiser. We annually produce a pocket sized booklet covering over 20 disease states, considerations for special populations such as pediatric and geriatric patients, and many other helpful references and charts for clinicians. Copies of the 2018 edition are available at <http://tinyurl.com/tccppocketguide>. Signups for editing the 2019 edition will be posted in September 2018.

How do I join?

Look for more information to come on August 23rd! We will be sending out an email and posting on Facebook the information on how to join!

How much are dues for membership?

\$15 for Local Chapter
\$40 for National ACCP Student Membership

It is required that you join both to be a SCCP member.

What does ACCP have to offer me as a pharmacy student?

Professional Development:

ACCP offers students several unique professional development opportunities such as online seminars, online CV review service, and residency interviewing tips. They offer a wide variety of opportunities, catering to students at various levels of their careers.

Leadership: Leadership opportunities are offered at the national and local levels.

Practice and Research Networks (PRNs): Unique offerings will be available from ACCP, which will allow members to interact via email based on their field of interest. These email list messages strive to improve both patient care and pharmacy practice in specialty areas in a timely manner.

The PRNs are unique to members because the students have the opportunity to:

- gain perspective on major areas of your professional interest
- network with practitioners
- contribute to an area of interest through PRN-specific committees.

Clinical Pharmacy Challenge

This is team-based competition that is geared more to PY3s and PY4s. Teams of three students compete against teams from other schools in a quiz-bowl type format. [Look for more information from Spenser Smith and Thomas Jacky about the 2018-2019 Clinical Pharmacy Challenge!!](#)

Clinical Research Challenge

This competition is focused towards the PY1 and PY2 students. It offers teams of three pharmacy students to participate in an online journal club, and the opportunity to submit a letter of intent, along with a clinical research proposal. [Look for more information from Spenser Smith and Thomas Jacky in the near future about the 2018-2019 Clinical Research Challenge!!](#)

For more information about ACCP please reach out to Spenser Smith (ACCP Liaison) or Thomas Jacky (ACCP Liaison-Elect)

Upcoming ACCP Event:

Please reach out for more information!!

What is the Triangle College of Clinical Pharmacy (TCCP)?

TCCP is a non-profit professional organization and an independent chapter of the American College of Clinical Pharmacy (ACCP). TCCP is dedicated to improving pharmacotherapy practice, education, and research in the North Carolina Triangle Region. Membership is open to any pharmacists, pharmacy residents, and pharmacy students in the area.

What does TCCP have to offer me as a pharmacy student?

Networking

A unique opportunity to network with local pharmacist, pharmacy residents, and pharmacy fellows.

Continuing Education Series

Attend the pharmacist CE series to gain more information in the field of your interest.

Monthly Journal Clubs

Monthly resident/fellow ran journal clubs through an online platform.

Travel Award

Travel awards for a student to attend the 2018 ACCP Global Conference.
