What is NCPA? “The voice of community pharmacy”

Objectives of the Student Chapter:

- To promote the pharmacy profession and the role of independent pharmacy in the healthcare system.
- To strengthen Student Members' professional, business, and leadership abilities, and to encourage schools of pharmacy to place emphasis on the practical realities of modern community pharmacy practice.
- To provide effective support of programs which encourage careers in independent pharmacy practice.
- To promote communication and mutual understanding among health professionals in areas affecting the practice and education of these disciplines.
- To educate the public on the proper use of prescription and non-prescription medication and on the pharmacist's role in providing patient care.
- To promote innovation in pharmacy and to strengthen Student Members' knowledge of innovative pharmacy practices.
