

Carolina Association of Pharmacy Students (CAPS)

THE ORGANIZATION FOR EVERYONE

Why You Should Join CAPS

Hands on
Learning

Networking

Leadership
Opportunities

Career
Exploration

Community
Outreach

Hands on Learning

- Practice listening for a **patient's blood pressure**
- Learn how to **use a glucometer** out in practice
- **Administer immunizations** to members of the community
- **Counsel patients** on normal lab values and common disease states

Networking

Conferences

- Travel with a group to major conferences
- Invitation to closed summer meetings on behalf of UNC

CAPS Events

- Practicing pharmacists and faculty are at all our events providing an opportunity to interact outside of the classroom

NPMs

- Our chapter benefits from designated mentors and advisors located across the state of North Carolina available to ALL members and leaders

Leadership Opportunities

Regional/National

APhA-ASP
National
Positions

APhA-ASP
Regional
Positions

ASHP-SSHP
National
Positions

State

NCAP – Student
Pharmacist
Network

School

CAPS Executive
Board

CAPS Appointed
Leaders

CAPS
Coordinators

applications due
mid-September

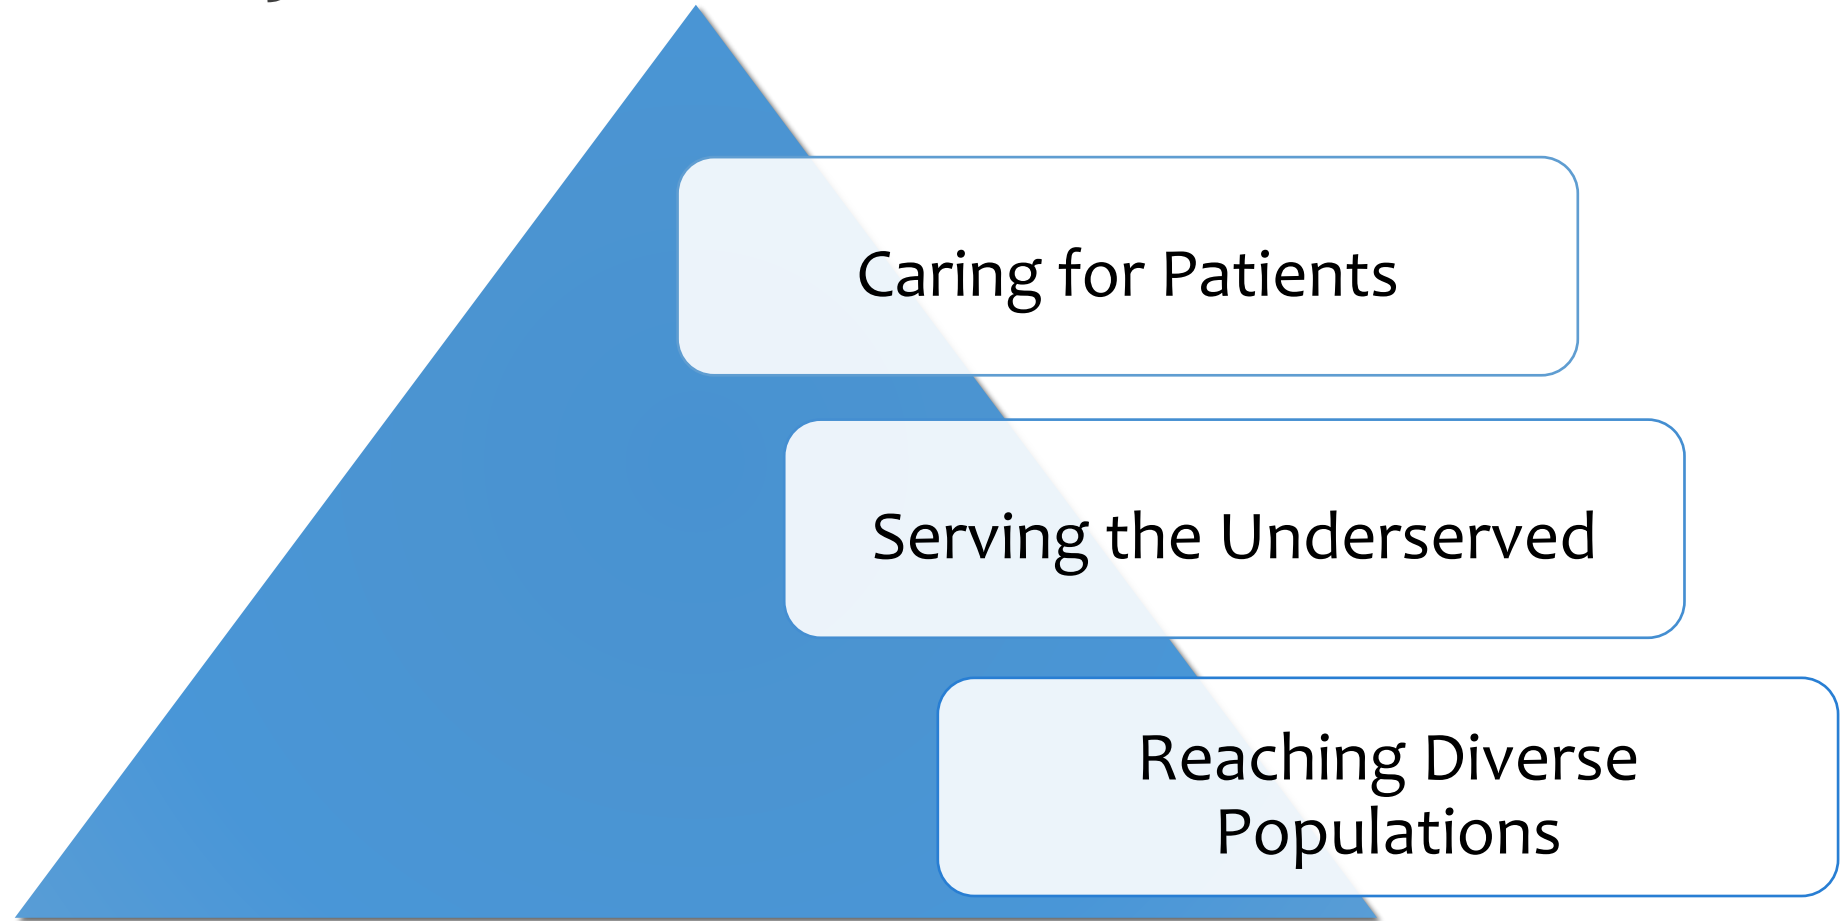

Career Exploration

- **Internship fair** in collaboration with AMCP and Rho Chi
- **Development workshops:** CV review, LinkedIn orientation, professional dining etiquette, interview tips and more
- Pharmacist **career panels and speakers** from every type of practice setting

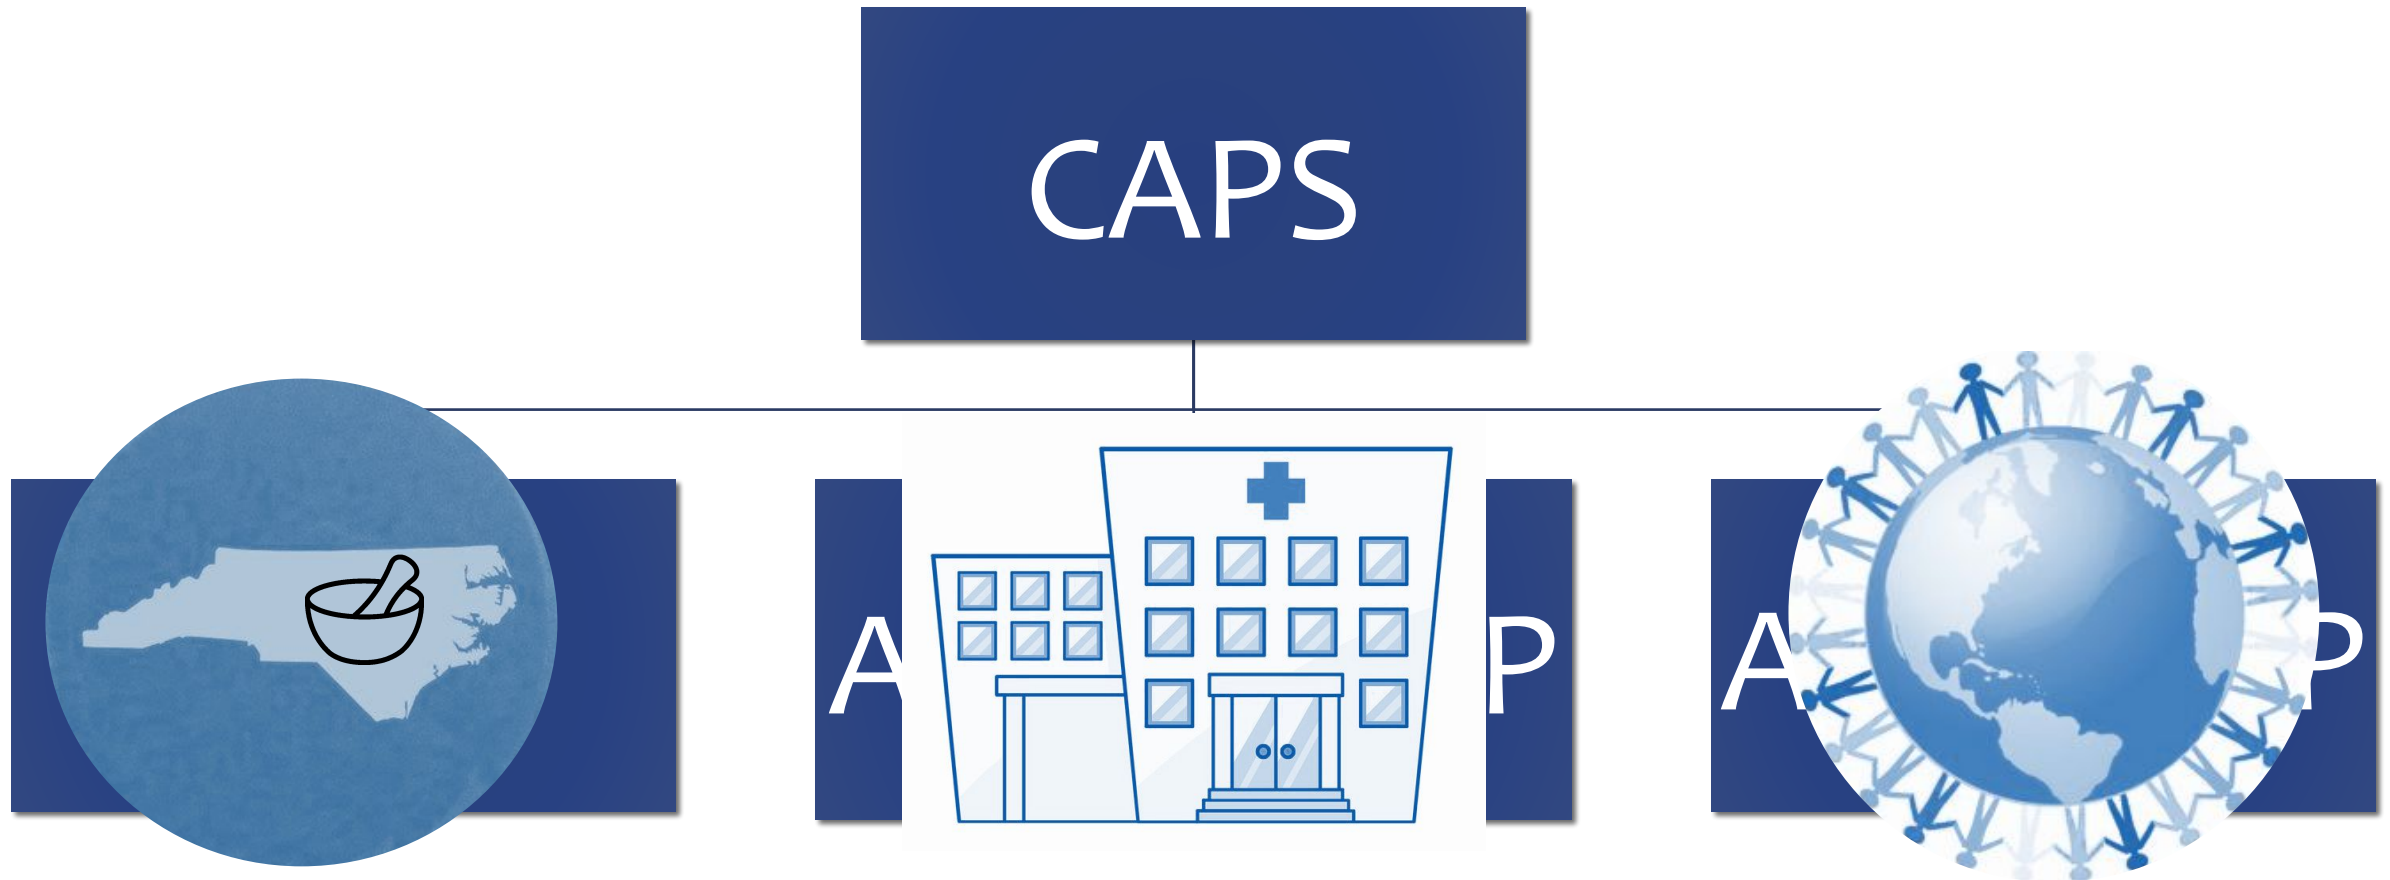

Community Outreach

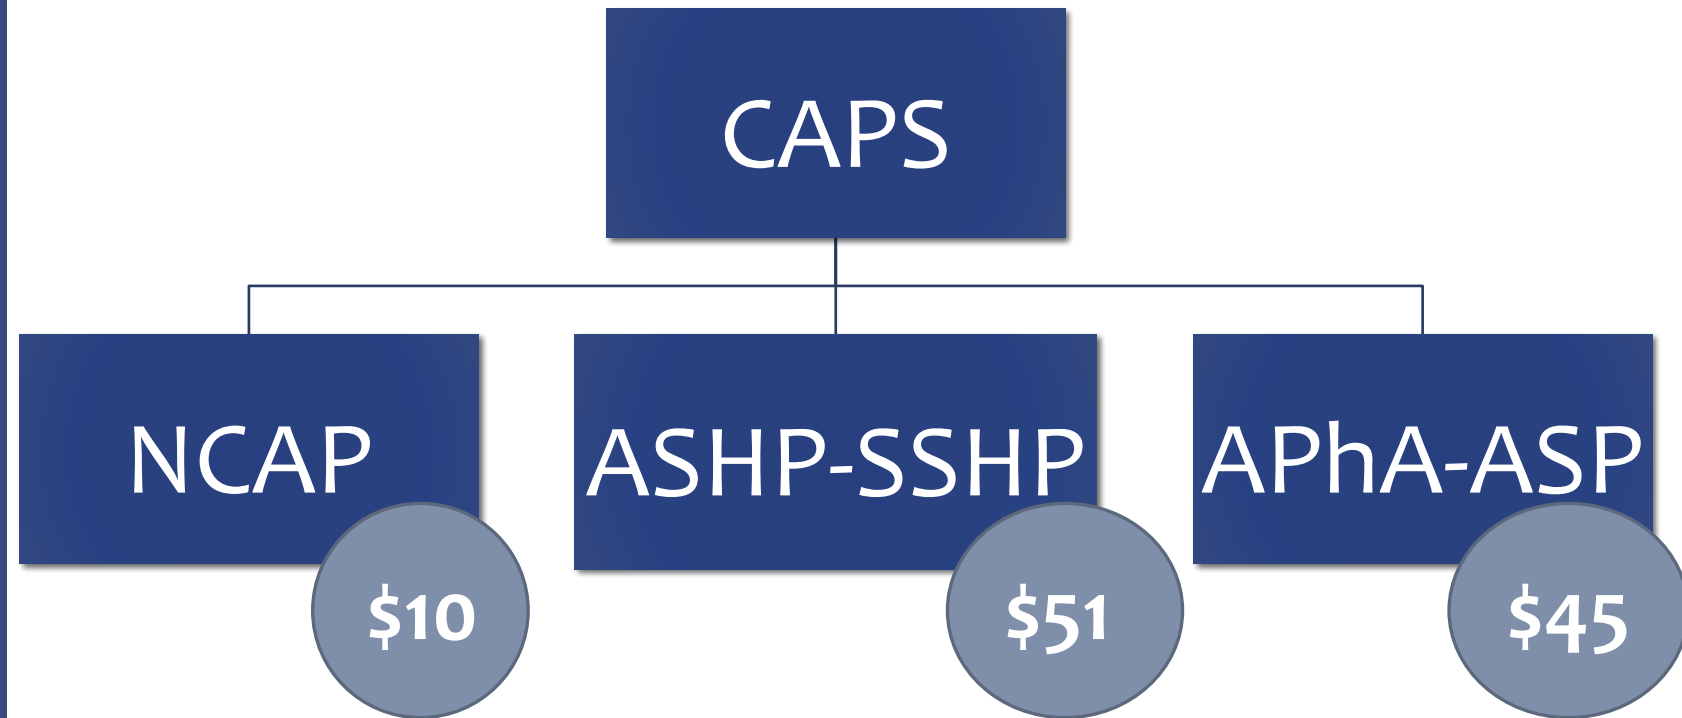

Understanding the Umbrella

Cost Breakdown

Big Investment: Big Return

At UNC Eshelman School of Pharmacy only one student organization grants you automatic access to three professional pharmacy associations.

In order to provide students access to all these organizations resources, our dues are a composite of all three memberships as well as a small local fee to fund our patient care activities and community outreach.

Dues are a total of \$124.

CAPS has YOU in mind

- Interested in traveling to other countries to see global pharmacy practice?
- Considering working in a hospital or healthcare system?
- Planning to pursue a residency/fellowship after graduation?
- Originally from North Carolina or planning to stay after graduation?

Wrap Up

1. Last year, CAPS held an **average of 9 events per week**, providing every student the opportunity to participate
2. Events are **held on and off campus** so members can participate while on rotation
3. There are over 50 leadership positions in CAPS with **~ 15 other positions open to PY1's** starting fall semester

**CAPS Registration will close on Friday, September 28th.
